

The SOCS Advantage

SOCS websites and mobile apps offer industry-leading features and support to help you connect with your community.

Accessibility

All SOCS themes have been tested to comply with all accessibility standards ensuring your site can be experienced by the widest possible audience.

An accessibility checker is built into the CMS for easy page/article compliance testing. We also provide ongoing user training and quick response if you need accessibility support.

Calendar

Calendar Highlights

Display your events in a variety of formats on your homepage or other sections. Create multiple iCal-compliant calendars that allow filtering and subscriptions.

Stay in Touch

Your users can subscribe to calendars and receive automatic email reminders and event change notifications.

Mobile Apps

Admin App

Update your website from your smartphone with the free, user-friendly Admin App. Post articles with images, links and formatted text. Send new articles and special alerts via push notifications, text, email and social media.

User App

Users can interact with your website, share content, receive notifications and more. Free download available for iPhone and Android.

Industry-Leading Support

Friendly and Knowledgeable Staff

Our in-house support staff can help you with any of your website development and maintenance needs. We want to help you create the high-quality website you deserve.

SOCS Insider

Get exclusive access to our support site filled with guides, videos and tips that will help you get the most out of your site.

Social Media

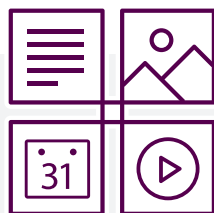

Feature live feeds of your Facebook, Twitter and Instagram accounts on your homepage - including real-time Facebook interactions.

Design

Our responsive websites look great on your desktop and adjust to fit any mobile device with full site capability for tablets and smartphones. Choose from a library of design styles and customize them for your organization.

Manage

Simple Content Management

Intuitive editing tools make posting articles, photos, videos, events and breaking news quick and painless. Make changes directly on the page with the article editor from your phone, tablet, or computer.

Other Features

- Emergency Alerts
- Interactive Polls and Surveys
- Helpful Widget Integration
- Staff Pages

- Process Online Payments
- And More...

Security

Secure Sites

All SOCS sites are hosted in a secure environment with regular backups and a current disaster recovery plan in place.

Dependable Service

SOCS meets the 99.999% standard of availability - meaning no unscheduled downtime for your website.

Regular Updates

SOCS sites and apps are regularly enhanced with new functionality and are tested for compatibility with all supported browsers.

The Fine Print

Affordable Pricing

SOCS websites are built with a nonprofit's budget and resources in mind. There is no better price for the depth of features and quality support in the industry.

Short-Term Agreements

Initial agreements are for three years; then converts to an annual automatic renewal.
