

Mobile used to be a trend. Now it's the norm.

77% of U.S. adults (and 86% of 18- to 29-year-olds) now have a smart phone. So now and into the future, you need to be sure your website will be readable and look beautiful whether viewed from a smart phone, a smart watch, tech-enhanced glasses, or the next big thing. At SOCS, our websites are optimized to display appropriately on any mobile device.

Features:

- Responsive design
- News Feed
- Notifications and announcements
- Quick Links
- Intuitive navigation
- Integrate social media feeds

Now is the time. Contact us today to bring your website into the era of Mobile.
